COMMITTEE REPORT

NAME OF COMMITTEE: General Services Committee  
DATE: April 19, 2001  
PLACE: Ulster County Office Building  
Legislature Chambers  
LEGISLATORS PRESENT: Tantillo, Busick, Every, Gerentine,  
Noonan, Bertone  
LEGISLATORS EXCUSED: Donaldson  
OTHERS PRESENT: Arlene Kerans, Purchasing Dept;  
Barbara Applegate, Secretary

I. PURCHASING

Arlene reviewed the practice of standardization of bids. The department head should first contact Purchasing if they are going to standardize a bid. To do this, it must be proved there will be a savings to the county. This procedure should be reviewed every few years.

II. OTHER BUSINESS

Legislator Noonan presented a resolution for Inclusion of Public Service Message of Not to Exceed 70 Characters on Ulster County Property Tax Statements.

After discussion, Legislator Bertone moved that this matter be brought before the Assessors Association before it is acted upon. Seconded by Legislator Gerentine. Unanimously carried. (Legislators Tantillo, Busick, Every, Gerentine, Noonan, Bertone all in favor.)

There being no further business, Legislator Busick moved that meeting be adjourned at 6:35 pm, seconded by Legislator Bertone. Unanimously carried.

Respectfully submitted

Fawn Tantillo  
Chairman
