

REGULAR WORK SESSION  
MONDAY, JUNE 3, 2013  
5:45 P.M.

The Regular Work Session of the City Council of the City of Vineland was called to order by the President, Anthony R. Fanucci.

The following members were present at roll call:

Councilwoman Angela Calakos  
Councilwoman Maritza Gonzalez  
Councilman John A. Procopio  
Councilman Paul F. Spinelli  
President Anthony R. Fanucci

Also present were: Denise Monaco, Business Administrator  
Richard P. Tonetta, Solicitor

President Fanucci led the Pledge of Allegiance.

The Municipal Clerk stated Public Notice of this meeting, pursuant to the Open Public Meetings Act, has been given on April 23, 2013 by the City Clerk in the following manner:

1. Posting written notice on the official bulletin board in the lobby of the City Hall on;
2. Providing written notice to the offices of The Daily Journal and The Press of Atlantic City;
3. Filing written notice in the office of the City Clerk of the City of Vineland.

President Fanucci asked if anyone from the public would like to comment. Andrea Kornbluh was present representing the Recreation Commission and spoke in favor of proposed legislation to fund open space, farmland preservation and historical sites using money derived from sales tax revenue. City Council has a resolution supporting the concept on the agenda. During discussion about the resolution, Council members were cautious about the resolution language and they requested a change to make it clear that while they support funding for open space, they want it from the existing sales tax rate and not an increase in New Jersey's sales tax rate.

The Clerk reviewed the agenda.

A thank you card was received from Jimmy Asselta who is happy to be playing baseball in the North Vineland Little League. President Fanucci thanked Dale Elbeuf for assisting to get this accomplished.

Councilwoman Gonzalez suggested that Council should thank the outgoing appointees to boards, authorities, committees, etc. when their terms end.

Councilwoman Gonzalez reported that she frequently has questions about the bills resolution, but it is very voluminous. President Fanucci suggested that it might be a good idea for the bills list to be divided by 5 and each Council member review their section and direct questions to the Business Administrator for clarification.

The President entertained a motion by Councilman Procopio, and seconded by Councilman Spinelli, to adjourn the meeting. The Clerk called the roll: YEAS:
