If Buyer does not deliver written notice, provided by Buyer's lender, to Seller or listing Broker, of Buyer's inability to obtain a loan approval on the terms described below on or before

N/A (the "Loan Contingency Date") then this condition shall be deemed waived and Buyer's performance under this contract shall thereafter not be conditioned upon Buyer's obtaining financing. If lender will not give Buyer such written notice then Buyer may directly notify Seller or listing broker (on or before the Loan Contingency Date) by providing a notarized affidavit that Buyer has complied with all of the terms of this paragraph and that despite request, Buyer was unable to obtain such written notice from lender. If Buyer has complied with the terms of this paragraph and has timely provided written notice to Seller or listing broker of Buyer's inability to obtain the loan approval, then this contract shall be terminated with earnest money to be returned to Buyer, subject to paragraph 12.

Loan Terms: N/A Cash Contract

Note: If Loan Contingency Date passes without written notice as outlined above, Buyer remains obligated under this contract. Therefore, Buyer should be certain that he will have the funds to close. If Buyer's performance under this contract is to be independently conditioned upon the property appraising at a specified value, then Buyer should complete and attach to this contract an appropriate appraisal rider.

- Assumption by Buyer of Existing Note and Deed of Trust. (See rider #2105) or Seller to Take Back Note and Deed of Trust. (See rider #2097)
- Not Contingent Upon Financing. This contract is not contingent upon financing, however, Buyer reserves the right to finance any portion of the purchase price.

5. CLOSING AND POSSESSION

The "Closing" is the exchange of the Seller's deed for the total purchase/sale price. The Closing of this sale shall take place on April 29, 2014, or any other date that both parties agree in writing. Buyer will close at North East Missouri Title, the title company which provides title insurance. Regardless of who closes for Buyer, Seller may close at the title company of Seller's choice. Note: If the seller does not close at the same title company as the buyer, or the seller's choice of title company does not have a common underwriter with the buyer's title company, then the seller will be required to sign a Notice of Closing or Settlement Risk acknowledging that their settlement funds are not protected by the title insurance underwriter. Title will pass when the sale is closed. Possession of the property and keys to be delivered to Buyer no later than 5pm (time) of April 29, 2014 (date) but in no event prior to Closing as defined above. All parties agree to sign closing documents at a time that facilitates this possession. (Note: If possession is to be delivered on a day other than Closing, as defined above, parties should complete the appropriate rider.) Deed as directed by Buyer. Except for tenants lawfully in possession, seller warrants that the property will be vacant at time of possession and delivered to Buyer in its same condition (together with any improvements or repairs required by this contract), ordinary wear and tear excepted, as it was on the date of this contract. Buyer and Seller authorize title company and/or closing agent to release to broker(s) signed copies of the closing statements.

6. TITLE AND SURVEY.

Seller shall transfer title to Buyer by general warranty deed (or fiduciary deed, where applicable), subject to the following: a) zoning regulations; b) leases and occupancy of tenants existing on the date contract is executed by Buyer and disclosed to Buyer in writing before execution of contract by Buyer; c) general taxes payable in the current year and thereafter; d) any lien or encumbrance created by or assumed by Buyer in writing or any easement accepted by Buyer in writing; e) subdivision, use and other restrictions, rights of way and utility easements, all of record, which do not adversely affect the use of the property as it exists for residential purposes at the time of the contract.

Check box (whether "Seller to Order, Provide and Purchase Title" or "Buyer to Order and Purchase Title").

- Seller To Order, Provide and Purchase Title.

Not later than _____ days (5 if none stated) after the "Acceptance Deadline" date, Seller will order a commitment for title insurance to be provided to the Buyer for both an Owner's policy of title insurance and for a Lender's policy of title insurance (if required by lender) in the latest ALTA form including mechanics lien coverage from the title company selected in paragraph 5. Seller and Buyer authorize and direct the title company to furnish this commitment to the selling and listing Broker. Seller shall pay for the title insurance (including title premium and title service charges), at closing, at a cost not to exceed _____. Buyer to pay title cost exceeding this amount.

- Buyer to Order and Purchase Title.

Buyer may, at Buyer's option and expense, order a title examination and a commitment to issue an owner's and/or lender's policy of title insurance in the latest ALTA form including mechanics lien coverage from the title company specified in paragraph 5. (Note: This should be ordered promptly after contract acceptance in order to allow sufficient time to obtain and review documents, and, if necessary, object to defects that may be discovered.)

Buyer may, at Buyer's option and expense, order a Boundary Survey and Improvement Location ("stake survey") or a Surveyor's Real Property Report ("spot survey") of the property to determine if there are any defects, encroachments, overlaps, boundary line or acreage discrepancies, or other matters that would be disclosed on a survey.

Note: A "stake survey" is generally required in order to obtain full survey coverage in an owner's policy of title insurance. A "spot survey" is the minimum report normally required by a lender and it may or may not disclose all of the defects involving such matters as encroachments, overlaps, boundary line or acreage discrepancies.

If any defects are discovered as a result of the title examination, title commitment or the survey and if Buyer chooses to act on this contingency, Buyer shall within _____ days (25 if none stated) after the "Acceptance Deadline" date, furnish a copy of the document evidencing the defect to Seller or listing broker stating, in writing, any title or survey defects that are 1) unacceptable to Buyer; 2) not listed above; and 3) adversely affect the use of the property as it exists for residential purposes at the time of the contract. Failure by Seller or listing broker to receive such objections to title or survey within such time will constitute a waiver by Buyer of any objections to the title so long as Buyer is able to obtain at closing, an Owner's title insurance policy in the latest ALTA form including mechanics lien coverage. If Buyer does timely object to any title or survey defects, Seller has five (5) days from receipt of Buyer's notice of objection by Seller or listing broker, to agree in writing to correct the defects prior to closing at Seller's expense. If Seller does not so agree, this contract is terminated unless Buyer, within two (2) additional days, agrees in writing to accept the title and survey "as is". If the contract is terminated in accordance with the provisions of this paragraph, Buyer's earnest money to be refunded, subject to paragraph 12, and Seller agrees to reimburse Buyer's cost to pay for title, survey, inspection(s) and appraisal. Seller shall be responsible for clearing any defects that arise between the date of the contract acceptance and closing.

Note: Easements, subdivision indentures, and government regulations may affect Buyer's intended use of the property. Construction of improvements (for example: a room addition, fence or swimming pool), non-residential use of the property (for example: use of a room for a business), or the right to keep certain vehicles or animals on the property, all may be affected. Buyer is advised to review all easements, government regulations, and subdivision indentures before making an offer to purchase the property if he plans these or similar uses. If Buyer requires assistance in reviewing easements, surveys, indentures, or other matters affecting title or use of the property, he should consult an attorney.

7. ADJUSTMENTS AND CLOSING COSTS.

Buyer and Seller shall have prorated and adjusted between them on the basis of thirty (30) days to the month as of the date of closing (Seller to pay for last day); current rents (Seller to receive rent for day of closing); rents which are delinquent over thirty (30) days are to be collected by seller and not adjusted; general taxes (based on assessment and rate for current year, if both are available, otherwise, based on previous year); district improvement assessments for current year (buyer to pay thereafter); subdivision upkeep assessments and monthly condominium fees; interest (when Buyer assumes existing loan); flat rate utility charges including waste, sewer and trash. Seller to pay for special taxes and special assessments levied before closing. Buyer shall pay the Seller the fair market value of any heating oil or propane gas in tank(s) on the property at closing based on suppliers current charges. Seller and/or Buyer to pay real estate compensation to broker(s) per separate written agreement; Seller authorizes selling portion of commission to be paid directly to selling broker. Buyer and Seller to pay closing cost customarily charged.

8. LOSS.

Risk of loss to the improvements of the property shall be borne by the Seller until title is transferred. If any improvements covered by this contract are damaged or destroyed, Seller shall immediately notify Buyer or selling broker in writing of the damage or destruction, the amount of insurance proceeds payable, if any, and whether Seller intends prior to closing, to restore the property to its condition at the time of the contract. In the event Seller restores the property to its prior condition before scheduled closing, and provides Buyer with proof of the repairs, Buyer and Seller shall proceed with closing. In the event the property is not to be restored to its prior condition by the Seller before closing, Seller shall immediately provide Buyer or selling broker with a copy of any policies of insurance, the name and number of the agent for each of said policies, and written authorization (if needed) for Buyer to communicate with the insurer. Buyer may either a) proceed with closing and be entitled to the amount of insurance proceeds relating to real property improvements, if any, payable to Seller under all policies insuring the improvements plus receive a credit from the Seller at closing in an amount equal to the deductible not covered by insurance, or b) terminate the contract, thereby releasing all parties from liability hereunder. If all of the aforementioned insurance information is received by the Buyer or selling broker more than ten (10) days prior to the scheduled closing date, Buyer is to give written notification to Seller or listing broker as to his election of (a) or (b) above within ten (10) days after the Buyer or selling broker's receipt of such information; and if not received by Buyer or selling broker more than ten (10) days prior to the scheduled closing date, Buyer may, at Buyer's option and by written notice to Seller or listing broker, extend the closing date up to ten (10) days, during which time Buyer may make his election as to (a) or (b) above. Failure by Buyer to notify Seller shall constitute an election to terminate the contract. If the contract is terminated in accordance with the provisions of this paragraph, earnest money to be returned to Buyer, subject to paragraph 12, and Seller agrees to reimburse Buyer's cost to pay for title, survey, inspection(s) and appraisal.

9. ASSIGNABILITY OF CONTRACT.

This contract is assignable by Buyer, but not without the written consent of Seller if a) Seller is taking back a note and deed of trust as part of the purchase price, or b) Buyer is assuming the existing note. Assignment does not relieve the parties from their obligations under this contract.

172 **10. TIME IS OF THE ESSENCE.**

173 Time is of the essence in the performance of the obligations of the parties. All references to a
174 specified time shall mean Central Time.

175 **11. BINDING EFFECT.**

176 This contract shall be binding on and for the benefit of the parties and their respective heirs, personal
177 representatives, executors, administrators or assigns.

178 **12. EARNEST MONEY.**

179 Buyer and Seller agree that the earnest money received by the escrow agent in connection with
180 this contract shall be deposited within ten (10) banking days after the "Acceptance
181 Deadline" date. Additional earnest money, if applicable, is to be deposited by escrow
182 agent within ten (10) banking days after receipt. Any earnest money received within ten
183 (10) banking days prior to the scheduled closing date, shall be in the form of a cashier's check
184 or any other form acceptable to the escrow agent. If sale is closed, earnest money to apply to
185 the purchase. If any earnest money is being returned to Buyer, Buyer agrees
186 that any expenses for services requested by Buyer may be withheld by escrow agent and
187 paid to the applicable service provider(s).

188 In the event of a dispute over any earnest money held by the escrow agent, the escrow
189 agent shall continue to hold said deposit in its escrow account until: 1) escrow agent has a
190 written release from all parties consenting to its disposition; or 2) until a civil action is filed
191 to determine its disposition (at which time payment may be made into court, and in such
192 event, court costs and escrow agent's attorney fees will be paid from earnest money); or 3)
193 until a final court judgment mandates its disposition; or 4) as may be required by applicable
194 law. The parties specifically acknowledge and agree that whenever ownership of the earnest
195 money or any other escrowed funds, received by a Missouri licensed real estate broker, is in
196 dispute between the parties, said broker is required by Missouri Statute, Section 339.105.4
197 RSMo to report and deliver the monies to the State Treasurer within 365 days of the initial
198 projected closing date. Broker shall not report and deliver any such monies to the State
199 Treasurer until at least sixty (60) days after the initial projected closing date.

200 **Note: An escrow agent who is not a licensed real estate broker is not bound by Missouri statutes and**
201 **regulations which apply to earnest money deposits. If the escrow agent is not a licensed broker, the**
202 **parties are urged to have the escrow agent agree in writing to be bound by the provisions of this**
203 **contract before being named as the escrow agent.**

204 **13. REMEDIES.**

205 If either party defaults in the performance of any obligation of this contract, the party claiming
206 a default shall notify the other party in writing of the nature of the default and his election of remedy. The
207 notifying party may, but is not required to, provide the defaulting party with a deadline for
208 curing the default.

209 If the default is by Buyer, Seller may either accept the earnest money as liquidated damages and
210 release Buyer from the contract (in lieu of making any claim in court), or may pursue any
211 remedy at law or in equity.

212 If Seller accepts the earnest money, it shall be divided as follows: expenses of broker and seller in
213 this transaction will be reimbursed, and balance to go one-half to Seller, and one-half divided
214 equally between listing broker and selling broker (if working as subagent of Seller) in lieu of
215 commission on this contract. If the default is by Seller, Buyer may either release Seller from
216 liability upon Seller's release of the earnest money and reimbursement to Buyer for all direct costs
217 and expenses, as specified in Buyer's notice of default (in lieu of making any claim in court), or may
218 pursue any remedy at law and in equity, including enforcement of sale. Buyer's release of Seller
219 does not relieve Seller of his liability to brokers under the listing contract.

220 In the event of litigation between the parties, the prevailing party shall recover, in addition to damages or
221 equitable relief, the cost of litigation including reasonable attorney's fee. This provision shall survive
222 closing and delivery of Seller's deed to Buyer.

223 **14. GOVERNING LAW.**

224 This contract shall be considered a contract for the sale of real property and shall be construed
225 in accordance with the laws of the State of Missouri.

226 **15. ENTIRE AGREEMENT.**

227 This contract constitutes the entire agreement between the parties hereto and there are no other
228 understandings, written or oral, relating to the subject matter hereof. The contract may not be
229 changed, modified or amended, in whole or in part, except in writing signed by all parties.

230 16. CONSTRUCTION.

231 Words and phrases shall be construed as in the singular or plural number, and as masculine,
232 feminine or neuter gender, according to the context. When the term "listing broker" is used, it refers
233 to one of the following: a) a broker working for the Seller under a listing
234 contract; or b) a broker assisting the Seller as a transaction broker, whichever is

239 licensees (referred to as "salespeople"). With the exception of the term "banking days" as used
240 in paragraph 12, a day is defined as a 24 hour calendar day, seven days per week.

241 17. FLOOD PLAIN.

243 year flood plain unless disclosed to Buyer in writing prior to contract. If so terminated, earnest
244 money to be returned to Buyer subject to paragraph 12.

245 18. ACCESS, FINAL WALK-THROUGH AND UTILITIES.

246 Upon reasonable advance notice to Seller or listing broker, Seller agrees to provide access for
247 appraiser(s) and other professionals as may be provided for in the contract or required by
248 Buyer's lender or insurer. Buyer and selling broker may be present. Seller grants Buyer and
249 selling broker the right to enter and walk-through the property and the right to have
250 utilities turned on or transferred, at Buyer's expense, within four (4) days prior to closing. This
251 right is for the Buyer to see that the property is in the same condition, ordinary wear and tear
252 excepted, as it was on the date of this contract.

253 The closing does not relieve Seller of his obligation to complete improvements and repairs
254 required by this contract.
