CITY OF TWO RIVERS

- Dogs are not permitted on any school ground, municipal property or cemetery within the City.
- Dogs are not permitted inside any municipal building. Dogs are allowed on the grounds of City Hall, the Hamilton Community House and the Lester Public Library, but not inside these municipal buildings.
- These rules do not apply to dogs participating in events held on municipal property, including municipal buildings, with the permission of the City.
- These rules do not apply to dogs participating in events held on school grounds with permission of the School District.
- No person shall have in his possession a dog that is allowed to run at large within the City. Dogs are considered “at large” when they are off the premises of the owner and on City owned property (including public streets and alley rights of way) and not controlled by a person through the use of a collar and leash not exceeding 6’ in length, cage or kennel.

PARKS & TRAILS

- Dogs are allowed on recreational trails, and the land adjacent to these trails, provided the dog is effectively controlled by the use of a collar and leash not exceeding 6 feet in length.
- Dogs are permitted in City parks as long as they are effectively controlled by the use of a collar and leash not exceeding 6 feet in length, or contained within a cage or kennel, and under the control of a responsible person who is at all times within 6 feet of the cage or kennel.
- Dogs do not need to be controlled with a leash or in a cage or kennel at designated dog parks and along publicly owned Lake Michigan beaches along Mariners Trail/Memorial Drive. These are permitted “off leash” areas for dogs accompanied and effectively controlled by a responsible person.

EXEMPTIONS

- * Restrictions and prohibitions may be waived by the Parks and Recreation Director or City Manager for dogs participating in events organized by the City or participating in events organized by others and held on City park properties with the permission of the City.
- * Restrictions and prohibitions do not apply to dogs used by the City’s police department or other departments in performance of their official duties.

NESHOTAH BEACH

- Dogs are prohibited at Neshotah Beach from

May 1 through September 30 of each year, except that leashed dogs are permitted between the hours of 6:00 AM and 10:00 AM.

- Neshotah Beach includes the area at Neshotah Park lying between the lakeward edge of the beach parking lots, and Lake Michigan, including the concrete beach walk. This area extends from the north pavement of the northernmost beach parking lot to Lake Michigan and to the south pavement edge of the southernmost parking lot to Lake Michigan.
- Dogs are allowed in a 20 foot wide corridor along the south end of Neshotah Beach, providing a connection between the southernmost parking lot and the beach, for access to the City owned beach located to the south of the corridor. The south boundary of the corridor is by the south edge of the pavement of the southernmost beach parking lot extending to Lake Michigan. This corridor is identified with a sign.
